RISK RATING

The risk rating of this fund is high.

Generally, the rating is based on how much the Fund's returns have changed from year to year. It doesn't tell you how volatile the Fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

STRATEGY

The investment objective of the Fund is to generate superior returns through the investment in alternative strategies that the Advisor believes have the potential to provide substantial upside. The Advisor adheres to socially responsible investing on a best efforts basis and has a broad mandate of identifying attractive investment opportunities that include, but are not limited to, seed capital, small capitalization investments, private placement investments, and debt instruments, including convertible debt instruments. The Fund may invest in securities that are generally more volatile in nature with limited or no liquidity. ¹

³A performance fee will be paid quarterly on the last business day of each calendar quarter (each a "Performance Valuation Date"). The performance fee will be equal to 20% of the increase in the net asset value of each Unit (the "Net Asset Value per Unit") from the previous High Water Mark for such Unit. The "High Water Mark" for a Unit issued more than 12 months before the Performance Valuation Date is the highest Net Asset Value per Unit on each of the four previous Performance Valuation Dates. The "High Water Mark" for a Unit issued less than 12 months before the Performance Valuation Date is the highest of the Net Asset Value per Unit on the date of issuance of the Unit and on each subsequent Performance Valuation Date, if any, prior to the Performance Valuation Date on which the Performance Amount is to be paid.
