STRATEGY¹

The investment objective of the Trust is to seek to generate superior returns through investments that the Manager believes have the potential to provide substantial upside. The Trust will invest a minimum of 80% of its net assets at cost in the AIP Convertible Private Debt Fund LP (AIP Convertible Private Debt Fund). Currently, 100% of the Trust's net assets are invested in the AIP Convertible Private Debt Fund. The investment objective of the AIP Convertible Private Debt Fund is to seek to generate superior returns through activist investments in investee issuers with a primary focus on convertible private debt securities. The manager of the AIP Convertible Private Debt Fund limits the cost of its holdings of equity securities to 20% of its net assets. The manager of the AIP Convertible Private Debt Fund has a broad mandate of identifying attractive investment opportunities that includes, but are not limited to, seed capital, small capitalization investments, private placements, and debt instruments. The AIP Convertible Private Debt Fund may acquire control positions (greater than 20%) in investee issuers.

Relationship disclosure

Ninepoint Partners LP acts as an exempt market dealer and distributes Class A, Class F, and certain subseries of Class I Units of the AIP Convertible Private Debt Fund LP.

¹Please refer to the "INVESTMENT OBJECTIVE AND STRATEGIES OF THE FUND AND THE PARTNERSHIP" section of the Offering Memorandum (OM) for more detailed information regarding the Fund's investment objective and strategies.

²The indicated rates of return are the historical annual compounded total returns of the AIP Convertible Private Debt Fund Trust Class F including changes in unit value and reinvestment of all distributions and do not take into account sales, redemption, distribution or optional charges or income tax payable by any unit that would have reduced returns. Please refer to the Disclaimer for additional information.

³A performance fee will be paid quarterly on the last business day of each calendar quarter (each a "Performance Valuation Date"). The performance fee will be equal to 20% of the increase in the net asset value of each Unit (the "Net Asset Value per Unit") from the previous High Water Mark for such Unit. The "High Water Mark" for a Unit issued more than 12 months before the Performance Valuation Date is the highest Net Asset Value per Unit on each of the four previous Performance Valuation Dates. The "High Water Mark" for a Unit issued less than 12 months before the Performance Valuation Date is the highest of the Net Asset Value per Unit on the date of issuance of the Unit and on each subsequent Performance Valuation Date, if any, prior to the Performance Valuation Date on which the Performance Amount is to be paid.

⁴We do not believe that the statistics for a new fund are meaningful until the fund has been operational for at least 12 months and therefore have not included them. We will report these statistics beginning with May 2022.
